The Acting Chair Cllr A. J. Evans explained that the Clerk had met with her and the Chair Cllr J. W. Tandy to discuss look at a budget review in detail and agree a budget proposal and asked the Clerk to talk through the review of budget performance.

He Clerk explained that whilst the budget was performing well anomalies were evident through overspill of outgoings that were budgeted to be paid in the financial year 2024/25 but were invoiced or presented for payment in this financial year.

The previous year was also cash rich due to 106 and Grant payments of £29,000 and a grant payment towards the Tennis Courts of £3,500 received and banked in the previous year for the project that was completed this year.

Unexpected payments this year for Saron Changing Rooms for Electrical Compliance Work along with Welsh Water Compliance work at Llandybie Bowls Pavilion and the additional office move and fencing at Penygroes Park had also impacted, however the budget was only in his six-month forecast only going to be overspent by circa £6,000.

The Clerk further explained that this close performance to the budget was helped by the fact that the heating system at the Llandybie Tennis and Bowls Pavilion could not now go ahead in this financial year due to the grant scheme expected not now being available and the failure to attract Mynydd Y Betws Funding earlier in the year. This position was further impacted by the need to re issue a tender for the work as it's been more than 6 months the process of tendering was concluded in March 2025.

The Clerk concluded by explaining the reasoning behind the General Reserves amount was lower as the reserves held on assets for the 10 parks that had been 11 parks in 2024/25 was now in place for 2026/27.

It was **recommended** that the Budget Review for 2025/26 accepted for ratification by the Ordinary Meeting of October 29th.

812.

### Discussion on the Budget Proposal for 2026/27

The Clerk went through each heading in detailed and discussed observations by Cllr K. D. L. Davies who could not attend the meeting but had asked for explanation of the premises budget increase and office services budget items.

The Clerk explained that he had added items in in lieu of the Office Move and work that maybe needed in terms of the decorating of the Pavilion at Llandybie once the heating system is completed and had identified increase costs such as Water Testing at £3k per annum that will fall within office services.

The Precept increase in line with the Finance Meeting recommendation of the previous year that instead of raising the precept sporadically the figures followed inflation at the time of the recommendation.

The Clerk explained that the current inflation rate was 3.8% as asked for discussion

Cllr D. Thomas proposed that the figure be set below at 3.6%, a counter proposal was tabled by Cllr C. R. Thomas to set the increase at 3.5%, this was seconded by Cllr D. Thomas and carried unanimously. The Clerk will not amend this figure in the Budget Proposal in the minutes.

It was recommended to ask the Ordinary Meeting of October 29<sup>th</sup> to ratify the raise the Precept by 3.5%.

Councillor Expenses and Chairs Expenses were discussed, and it was recommended that the rates stay the same at £156 per annum per Councillor and £15 per meeting attended with the Chair and V. Chairs receiving an extra £500 annually respectively.

It was recommended that the Budget Proposal for 2026/27 be passed to the Ordinary Meeting on 29<sup>th</sup> of October for ratification.

813.

### **Update on External Audit for 2024-25**

The Clerk confirmed he had now started dialogue via email with Audit Wales and would report progress on completion.

814.

As there was no further business to discuss, the Chair declared the meeting closed at 7.22 p.m.
